

Belmont Avenue

Corridor Plan

Federal St in Downtown Youngstown to Church Hill Commons in Liberty Township

Goals of the Plan

- Increase accessibility of the existing transportation network and emphasize multi-modal transportation options
- Support ongoing and future economic development that will contribute to a vibrant community
- Offer solutions for transportation issues along the corridor

Project Purpose and Anticipated Outcomes

- Evaluate the key focus areas along the corridor
- Evaluate key drivers influencing the need for transportation improvements with a focus on opportunities for economic development
- Review revitalization needs along corridor
- Develop a range of solutions to the transportation, revitalization, and economic challenges influencing the corridor
- Identify potential funding sources for the solutions

Plan Outline

Define the Planning Area

- Demographics
 - Population Trend
 - Comparative Age Distribution
 - Comparative Educational Attainment
 - Average Household Income
- Economic Conditions
 - Employment Totals
 - Comparative Employment Trend
 - Cumulative Employment Trend

Key Focus Areas

- Breakdown of the corridor into segments and priority intersections

Transportation Overview

- Existing Conditions
- Challenges
- Possible Solutions

Encourage Investment and Revitalization Along the Corridor

- Housing
 - Existing Conditions
 - Possible Solutions
- Economic Competitiveness
 - Existing Conditions
 - Possible Solutions
- Placemaking
 - Existing Conditions
 - Possible Solutions

Stakeholder Input

- Survey
- Participatory Meeting

Summary of Recommendations

- Recommendations by Focus Area
- Potential Funding Sources

Additional Info

- The plan will officially begin July 1, 2019
- Information will be posted to Eastgate's website
